GENERAL CONDITION OF SALES

DEALER

- 1. General Provisions**

All Contracts concluded by Browning International (hereinafter referred to as "Browning") on the basis of orders and/or order forms sent to it, written or verbal, shall be governed by the present General Conditions of Sale, which are assumed to be known to and accepted by the Purchaser and prevail over all general or specific clauses or conditions from which the Purchaser may benefit, most notably his General Conditions of Purchase. Browning reserves the right to modify the present General Conditions at any time. Our Specific Conditions of Delivery, although they are the subject of a separate document, form an integral part of our General Conditions of Sale.
- 2. Definitions**

The following terms used in the present General Conditions of Sale have the definitions given below :

 - "Products": all the goods sold, marketed and/or distributed by Browning;
 - "Contract": each order and/or order form duly and expressly accepted by Browning;

"Purchaser": any client of Browning who has issued an order and/or order form duly and expressly accepted by Browning.
- 3. Formation of the Contract**

The commercial proposals issued by Browning are made without commitment. Browning shall have the right to require all orders to be shown on a written order form, which shall only be binding upon Browning after express acceptance by Browning, regardless of what the previous practice with the Purchaser may have been. Commitments made by third parties, especially agents, shall not be binding upon Browning until after written approval from Browning.
- 4. Cancelling an order**

When exceptional circumstances justify such action, Browning may cancel an order previously confirmed in writing. Browning shall immediately advise the Purchaser of the cancellation. In this case, both Parties shall meet together in order to determine the best way of remedying this situation.
- 5. Prices**

The Product prices indicated on Browning's tariffs are for information only, and may be subject to alteration without any warning. The prices invoiced to the Purchaser shall be those of Browning's tariff in force at the moment of delivery. If the price of the Products ordered but not yet delivered has increased by more than 15%, Browning shall warn the Purchaser before the Products are delivered; and the Purchaser may cancel his order in writing within 8 days of the said notification by Browning. Unless the provisions of our Specific Conditions of Delivery stipulate otherwise, the cost of transportation, packing and insurance, and all taxes or similar charges shall be payable by the Purchaser.
- 6. Incoterms / Risks**

Unless the provisions of our Specific Conditions of Delivery stipulate otherwise, the Products ordered from Browning shall be delivered straight from our factory ("ex works") according to the stipulations in the most recent current edition of Incoterms). The Products shall travel at the risk and peril of the Purchaser.
- 7. Deliveries and delivery deadlines**

The Purchaser shall check that the products are satisfactory on delivery. In particular, this check should cover the references, quantity and quality of the Products and their consistency with the order. Delivery dates are given for information. Delayed delivery or failure to deliver for any reason whatsoever shall not authorise the Purchaser to cancel or terminate the Contract, and moreover shall not confer the right to any withholding, penalty, compensation or damages with regard to Browning.
- 8. Complaints**

Complaints shall only be accepted if they are sent to Browning in writing, together with all the required supporting documentation, within a maximum of 10 working days from receipt of the Product. If it is agreed that the Products supplied are defective or do not comply, Browning shall be obliged merely to replace the Product or refund its value as invoiced, without being held liable or any compensation being payable by Browning in any way whatsoever.
- 9. Returned Products**

Returned Products, for exchange or taking back, shall only be accepted if they have been or are the subject of a prior express agreement by Browning's commercial department. In the event of acceptance, a return acceptance number shall be given to the Purchaser in the form of a specifically designed returns form. This number must be clearly shown on the package, which must be returned in its original packaging and accompanied by a copy of the invoice relating to the Product. All returns must be sent carriage paid, unless previously agreed otherwise. In no circumstances may ammunition, primers, separate parts, viewfinders showing traces of mounting or outdoor Products be returned or exchanged. Returned Products may only be credited by Browning after acceptance in the company's establishments if they have been the subject of prior acceptance by Browning and are in perfect condition. Administration costs totalling 20% of the net price of the Products shall be deducted by Browning from the total refundable to the Purchaser.
- 10. Payment**

Unless specific conditions in the invoice state otherwise, invoices shall be payable by the Purchaser:

 - either in cash 10 days from the date of the invoice, with a discount deducted;
 - or 60 days from the date of the invoice.

When Browning notes a simple delay in payment, it shall have the right to demand payment on demand or a guarantee for any Purchaser's outstanding orders. Invoices sent by Browning may only be disputed by the Purchaser in a registered letter within a period of 10 working days of receipt. After this deadline, the Purchaser shall be deemed to have irrevocably accepted the invoices. Without notice and other formality, failure to pay any invoice on its due date shall automatically lead to the imposition of a fixed contractual increase of 15% of the price and a minimum charge of EUR 25.00 as stipulated damages to cover administrative and legal costs, as well as conventional interest calculated on the basis of the official rate in Belgium plus 3% per annum. All this shall be without prejudice to any damage that Browning may otherwise be entitled to. In addition, failure to pay any invoice by its due date shall render all other debts owed by the Purchaser to Browning payable immediately and in full, regardless of the planned method of payment, and shall confer upon Browning the right to suspend all of the Purchaser's outstanding Contracts.
- 11. Reserve of ownership**

The Products sold shall remain the exclusive property of Browning until the agreed price is paid in full, without this reserve of ownership modifying the Product risk burden borne by the Purchaser. Instalment payments may be kept in order to cover possible losses on resale. The Purchaser shall be required to keep the Product in good condition and keep them constantly identified before being used. The Purchaser shall not give the Products as security or guarantee before their price has been paid in full. In addition, Browning shall benefit from all rights that protect or guarantee sellers within the territory of the Purchaser.

12. REACH (Registration Evaluation and Autorisation of Chemicals)

Our Products are manufactured, imported and / or marketed in accordance with data received from relevant suppliers, if any, about the pre-registration, registration and / or uses of substances and / or preparations they may contain pursuant to obligations imposed on said suppliers by European regulation 1907/2006 of December 18, 2006 (REACH). However, the possible transmission of said safety data under BROWNING's obligation to inform the Purchaser under REACH, whatever may be its form, cannot expressly or implicitly imply a warranty as to the technical and / or commercial specifications of the Product or on the product's suitability for any purpose, determined or not.

13. Guarantee

Browning shall guarantee that the Products are, on the day of their delivery, free from all defects caused by poor quality of materials used or by manufacturing defects. Where necessary, Browning shall apply its guarantee to the Products strictly within the limits of the guarantee conditions published by Browning in relation to each Product, and with the reserve, with regard to visible defects, that these defects are the subject of a complaint by the Purchaser in accordance with Article 8 above. Browning does not guarantee the suitability of the Products for any specific use. Browning shall not be liable for any direct or indirect damages if the Products are lost or stolen.

14. Liability

Under no circumstances BROWNING shall be held liable for any use whatsoever that can be made with the Products, and in particular for the compliance of their conditions of use with those described under any related safety data under REACH, if any. Moreover, BROWNING's liability cannot be claimed in cases of impossibility or delay in performing its technical or commercial obligations that would result from compliance with its legal or regulatory obligations under REACH.

15. Packaging

When the Products are sold packed, the method of packaging and/or protection shall be left to the discretion of Browning, unless the Purchaser stipulates a special form of packaging; in this case, the packaging shall be supplied to the Purchaser under express agreement by Browning.

16. Availability of materials

BROWNING si riserva il diritto di modificare in qualsiasi momento le presenti Condizioni Generali. Le Condizioni specifiche di consegna, benché oggetto di un documento separato, costituiscono parte integrante delle Condizioni Generali di Vendita.

Gli impegni presi da terzi, in particolare agenti, vincolano BROWNING unicamente dopo la sua ratifica scritta.
- 4. Cancellazione di un ordine**
BROWNING ha facoltà, nel caso in cui circostanze eccezionali lo giustifichino, di annullare un ordine precedentemente confermato per iscritto. BROWNING notificherà immediatamente questa cancellazione all'Acquirente. In questo caso, le due Parti si accorderanno per trovare la migliore soluzione possibile.
- 5. Prezzo**
I prezzi dei Prodotti indicati da BROWNING sui listini di BROWNING sono indicativi. Possono essere oggetto di modifica senza obbligo di notifica.
I prezzi fatturati all'Acquirente sono i prezzi del listino BROWNING in vigore al momento della consegna.

L'Acquirente verificherà le buone condizioni dei Prodotti al momento della consegna. Il controllo deve riguardare in modo particolare i riferimenti, le quantità, la qualità dei Prodotti nonché la conformità rispetto all'ordine.
I termini di consegna hanno titolo indicativo. Un ritardo o una mancata consegna, per qualsivoglia motivo, non autorizza l'Acquirente ad annullare o rescindere il Contratto; non darà inoltre diritto a trattenuta, penale, compenso o risarcimento nei confronti di BROWNING.
- 8. Reclami**
I reclami sono accettati solo se inviati per iscritto a BROWNING accompagnati da tutti i giustificativi necessari, entro 8 giorni dalla consegna del Prodotto. Il mancato pagamento di una fattura alla scadenza comporta di pieno diritto e senza ingiunzione e contenzioso nonché un interesse convenzionale calcolato sulla base del tasso legale in Belgio maggiorato del 3%, all'anno. Il tutto senza pregiudicare il rimborso danni eventualmente dovuto a BROWNING. Gegen eine von BROWNING gestellte Rechnung kann der Käufer nur per eingeschriebenem Brief innerhalb von zehn Werktagen nach Eingang Widerspruch einlegen. Verstreicht diese Frist, sieht BROWNING diese Rechnung als unwiderruflich vom Käufer akzeptiert an. Wird eine Rechnung nicht am Verfalltag bezahlt, führt das von Rechts wegen und ohne Wahrung zu einer pauschalen vertraglichen Erhöhung der Rechnung um 15% oder um mindestens 25 Euro als Entscheidung und Konsensprovisionale zur Deckung von Sekretariatskosten und Anwaltskosten. Darüber hinaus werden Verzugszinsen in Höhe des gesetzlichen belgischen Zinssatzes pro Jahr zuzüglich 3% jährlich vorbehaltlich weiterer Entschädigungen und Zinsen, die BROWNING eventuell zustehen. Außerdem führt die Nichtbezahlung jeglicher Rechnung an ihrem Verfalltag von Rechts wegen
 - zu sofortigen Fälligkeit aller anderen Forderungen BROWNING an den Käufer, unabhängig von den vereinbarten Zahlungsmodalitäten, sowie zur Aussetzung aller laufenden Verträge des Käufers.
 - Eigentumsvorbehalt**
 - Die verkauften Waren bleiben bis zur vollständigen Bezahlung des vereinbarten Kaufpreises ausschließliches Eigentum BROWNING. Dieser Eigentumsvorbehalt ändert aber nichts am Übergang des Warensikos auf den Käufer. Anzuhängen können einbehalten werden, um eventuelle Verlust beim erneuten Verkauf der Ware zu decken. Der Käufer ist verpflichtet, die Ware in guten Zustand zu erhalten. Solange die Ware nicht vollständig bezahlt ist, darf sie der Käufer nicht gebrauchen oder veräußern und muss sie so aufbewahren, dass sie stets einwandfrei als von BROWNING stammend zu identifizieren ist. Der Käufer kann die Ware nicht als Pfand oder Bürgschaft verwenden, bevor ihr Kaufpreis nicht vollständig bezahlt ist. Außerdem nimmt BROWNING für sich alle Rechte in Anspruch, die einem Verkäufer im Heimatland des Käufers zustehen.

Der Käufer muss BROWNING alle Dokumente übergeben (Importzinsen, Waffenbesitzkarte, DSP-83, Internationale Einfuhrbescheinigung, Endverwendungsbescheinigung usw.), die notwendig sind, damit BROWNING innerhalb von acht Werktagen nach Eingang der Bestellung des Kunden die Exportlizenz erhält. Der Käufer darf Waren amerikanischer Herkunft ohne vorherige schriftliche Genehmigung des Außenministeriums (State Department) der Vereinigten Staaten von Amerika außerhalb des Grundgebiets der Europäischen Union nicht; weiterverkaufen, transportieren, weiter versenden oder weiter exportieren oder auf andere Art über sie verfügen.

- Recht auf geistiges Eigentum**
- Der Kauf unserer Produkte gestattet es dem Käufer auf keine Weise, die Markenbezeichnungen, Genehmigungen und anderen Rechte auf geistiges Eigentum zu verwenden, deren Eigentümer oder Lizenznehmer BROWNING ist. BROWNING behält sich das Recht vor, alles Notwendige zu unternehmen, um sein Recht auf geistiges Eigentum zu schützen.
